Believers Fellowship relies on the faithful generosity of its members to meet our financial obligations and fund our ministries. While we do not pass a collection plate on Sunday mornings there are several ways for you to give.

1. There are two collection boxes located in the back of the church. You may drop a check into either box on Sunday morning. You may also mail a check directly to the church at the address below.
2. You may use the bill pay section of your bank to send a check directly to the church. Mail box

Believers Fellowship relies on the faithful generosity of its members to meet our financial obligations and fund our ministries. While we do not pass a collection plate on Sunday mornings there are several ways for you to give.

## Check

There are two collection boxes located in the back of the church. You may drop a check or cash into either box on Sunday morning. You may also mail a check directly to the church.

## Your Bank

You may use the bill pay services of your bank to send a check directly to the church. Most banks allow you to set up a recurring or one-time payment. Contact your bank for details.

## Online

You may use the “Give” link on our website to use a credit or debit card to give. After clicking on the link, you will be directed to a secure website. Simply follow the directions to enter your credit, debit, or bank information and enter the amount you would like to give. It can be a one-time or recurring gift.

## Text

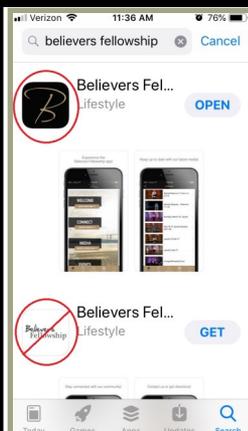

You can text “believersfellowship” to 77977.\*

## App

You can download the Pushpay app for Apple or Android devices or, even better, use the BF app. Search for either app in Apple’s App Store or in Google Play.

# How to Use the BF App to Give

1. Search for “Believers Fellowship” in the App Store or Google Play and download the iOS or Android app to your tablet or phone for free. Look for our big “B” logo. There are other churches with the same name so make sure you get the right one.

2. Open the BF app and tap on “Give” at the bottom of the home screen. (Don’t forget to go back and check out all the other cool features of the app!)

3. Tap on “Give” and you will be taken to a secure Pushpay site. You only need to enter your card info the first time to set up an account. Choose the amount and enter your credit card or bank info. You may make a one-time gift or choose to repeat the gift. You may give to the general fund or something more specific, if listed, That’s it! Once your information is saved, you will be able to give in 10 seconds or less.

The church is charged fees when you give online or when you use the Pushpay or BF apps. There is no cost to the church if you write a check or if you use your bank's bill pay services.

We don't keep records for most giving at Believers Fellowship. Federal law requires that receipts be given for donations that are \$250 or more and those are mailed if checks are written. Receipts for other amounts are given upon request. If you provide an email address when giving online or through either app, a receipt will be emailed to you. A copy will also be sent to us. If you have an account with Pushpay, you can also look at your history of giving. In January, we direct Pushpay to send a summary of your previous year's online giving via the email address you provided to them. Note: This summary is for online or app giving only. The church does not record your giving.

If you have any questions or if you want to give over the phone with your credit card, contact the church office at the number below during regular office hours.

Thank you for your generosity!
