EVENTS & DETAILS

HIGH SCHOOL

Connections, WEDNESDAYS 630-830pm

Life is sometimes CHAOTIC; the busyness, the frustrations, the confusion. In our culture, we are left behind thinking, is this it? But we have a rock in the midst of chaotic storms. Through Jesus we have an opportunity to live with JOY in every circumstance. Paul had such a relationship with his Savior that he could be in prison, waiting on his future to be decided and facing possible death for being a Christian; not just any Christian, but a leader of the early church...yet he still had joy! This series will tackle real life issues and find out what it might look like to have joy in those circumstances. There are a myriad of issues facing us today, and we cannot avoid the chaos. But we can learn from God to have joy in the chaos. Each section of "Chaotic Joy" takes the main theme of those verses, and expands on how to have joy in that theme in our modern day culture.

A Note from Johnny Pearson
Hello BFSM families!
We are so excited to see what God can do this fall! Please take advantage of our weekly meetings (connections) and create space in your calendar to join us at Mt. Baker. Our mentor team is ready to dive into real life issues with the students and families in our midst. We are praying for you! If you have any specific needs or prayer requests, forward them on and we will continue to lift them up, and reach out to you to offer any help we can. God Bless, Johnny Pearson
