### A Note from Jon Lucas

Hello! My name is Jonathan Lucas and I am the Student Ministry Associate (aka Middle School Pastor) here at Believers Fellowship. My wife and I are on year two here and I can't say enough good things about this group of students. They are kindhearted, generous, smart, accepting, curious, and crazy (in a good way)! If you want to ever see just how rowdy a room full of middle schoolers can get, come on Thursday nights to Upper Room! You'll be amazed to see students filling our rooms playing games and the next second listening with curiosity to what God has to say to them through our messages and small groups. We also want you involved! Never be afraid to ask questions or see where you can serve our amazing students throughout the year.
