

Esther Saves God's People

Parents,

For this lesson your kids will be making a crown. I have listed some websites with craft ideas on making crowns. Print out the coloring page and have your kids color it. Tell them they will be hearing a story today of a queen who had to trust that God would protect her and help her to be strong.

In a children's bible, read the story of Esther or you can watch the video below. There is a Veggie Tale Esther story but it is 30 plus minutes. If you want to watch that one it's on YouTube.

Were you a little bit scared for Esther during some parts of her story? What could have happened to Esther? Esther asked her people to pray for her. She had faith in God that he would use her to do great things. Esther was very brave when she told the king that Haman was a bad man. She could have been killed or thrown in jail. Because Esther had faith in God, He used her to help save God's people.

Share with the children the Bible verse: "Obey the Lord your God and follow his commands." Deuteronomy 27:10.

Use hand motions to help the children remember the verse.

Obey the Lord your God = point to Heaven

And Follow His Commands = put your finger to your mouth and point to the children

Put out the crowns and let your kids decorate them. When they wear it, ask them to remember that God helps us to be brave every day.

ESTHER TRUSTED GOD TO PROTECT HER!
