A NOTE FROM JOHNNY:

In a 'cancel for covid' culture...we want to be sure to do everything we can to still meet in person! I am grateful for the opportunities we have to meet each week, to worship, to dig into the Word, and build community in small groups. It takes all of us working together, wearing masks and maintaining social distancing so that we can continue to meet weekly on Wednesday nights (7pm-8:30ish).

If you are not feeling well or have someone that is sick at home, we ask that you join us online. We broadcast LIVE on our BFSM YouTube channel and at BelieversFellowship.net/Watch-live
