NOTE FROM JON LUCAS:

Hello Middle School families! I just want to let you know that I have been praying for you all through the whirlwind that 2020 has been for so many of you. We are so blessed to have a space our students can physically see each other, learn about Christ, share in small groups, and be the church. We want it to stay that way! We are doing everything we can to socially distance, provide in-person and live-streaming options starting 10/19 on our BFSM YouTube Channel & our church website Believersfellowship.net/watch-live/. We are also sending home materials to help your student seek God at home. Please let us know if there are more ways that we can support you and your student. We'd love to hear from you!

FUN EVENTS!

MIDDLE SCHOOL

The Middle School Family Mission Trip is by far our favorite event! Each summer we serve locally in the Seattle/Tacoma area. It is awesome to see our parents teaching their children the importance of serving God's people and modeling what it looks like to be the hands and feet of Jesus. The cost of this trip is \$98 per family member which includes (2) nights stay in your own private suite at Black Diamond Camp, all meals including sack lunches at serve sites & family fun activities. You can reserve your spot today with a \$50 deposit per attendee.

We are excited to announce this year's BFSM Middle School Harvest Hunt! This team selfie scavenger hunt is sure to be a ton of fun. Please create a team (your student, family members and their friends) and register online. This creative alternative to our traditional Great Pumpkin Chase won't disappoint. There is a 1st, 2nd and 3rd place prize! Winners will be announced at youth group on Monday, Nov 2nd. We hope you have a blast being creative and making fun memories with your family!
