MIDDLE SCHOOL

UPPER ROOM SERIES'

Moods Series

This is a four week series about emotions. Each week we will be focusing on how different emotions may be influencing our lives and how to control our emotions through following Jesus' example.

Here's The Thing Series

This is a two-week series exploring what God has to say about our purpose. We will be learning how God will give you all the THINGS you need to fulfill his purpose and that God has made us conquerors of the THINGS that hold us back.

Do Something Series

This is a 4-week series on injustice. We will be learning about how to see injustice, how you don't have to face it alone, how God IS doing something about it, and encouraging students they are capable of doing something.

No Matter What Series

A 3-week series about Easter reminding us we are loved no matter what, that we are important no matter what, and that we're forgiven no matter what.

Habits Series

A series about faith skills based around Psalm 103, encouraging us to listen, talk, connect, and worship with God daily.

MIDDLE SCHOOL SUNDAYS

EVERY SUNDAY MIDDLE SCHOOL MEETS UPSTAIRS DURING THE 11:00 AM SERVICE

Join us for worship, games, a lesson, and sometimes even donuts! We love our Sunday's!

SUMMER KICK-OFF

JUNE 5

We are planning to kick off our summer season with a day full of fun together! Upcoming 6th graders are welcome and officially considered a part of our ministry for the rest of the summer. Stay tuned for more info the closer summer gets. *If you're curious about our "Intents" retreat, keep your ear to the ground, because it may still happen if COVID restrictions lift.*

M.S.F.M.T.

JUNE 17-20

Nope, it's not a mistake, that castle is supposed to be upside down because our theme this year has everything to do with the "upside-down kingdom" of Jesus. This is our yearly Family Mission Trip where we take time to serve our city as families in incredible ways. Not only that, but we stay at Black Diamond Camps to worship, learn, and play throughout the weekend! It will undoubtedly be a highlight in your year.

REMEMBER: JUNE 6TH IS OUR TEAM TRAINING AND WHEN YOUR FINAL PAYMENT IS DUE.
