Intern Send-off!

August

AUGUST 4

CORE GROUPS

Final Core Group to wrap up a summer of fun and service.

BFSM Summer Interns

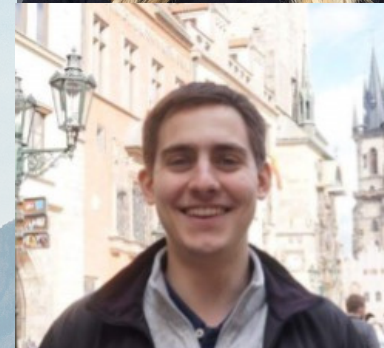

Natalie Childress

My Name is Natalie Childress, I am about to enter my senior year of the youth ministry program at Moody Bible Institute. I have a passion for working with students and parents in a way that leads to awesome intentional conversations about Christ. I love spending my time reading, cooking, watching movies, and ALL things relating to coffee. I absolutely love sitting with people and hearing their stories and am always ready for a good laugh, so please tell me your jokes- especially the dad jokes. I am looking forward to meeting everyone this summer and to doing life with you all!

Johnathan Tews

Hi Believer's Fellowship! My name is Johnathon Tews (JT) from the Chicago suburbs. I currently am a junior at Moody Bible Institute in their youth ministry program. I work in admissions there, and I think Moody has a program for everyone, so be ready to apply for Fall 2021. I am a big fan of meeting new people, NHL hockey, baking breads, and teaching the Word of God. I am super excited about being out in Washington this summer, thanks for supporting me and the other interns.

Emily Ehrhardt

Hey guys! My names Emily Ehrhardt and I'm super excited to be serving the middle schoolers this summer! I just graduated TCC with my Associates Degree and am planning on going back to school to become a high school math teacher. I have always loved working with kids and witnessing to people whenever possible. I love watching sports, listening to music, going on drives, and looking at the stars! I can't wait to meet new people this summer and make heaven crowded!

David Knepper

My name is David Knepper, and I am going into my senior year in the Youth Ministry program at MBI. I love living life with students, encouraging them in their walks with Christ. I love listening to people talk about their passions and what God is doing in their lives. I love reading, writing, trying new foods and anything new really, cooking, and the outdoors. I am so grateful to you all and am so excited to spend time with you all this summer!
