# EVENTS AND DETAILS

## WINTER/SPRING

### 2022

### TWO NEW SERIES

This Winter/Spring we go over two main series! After exploring the Gospel of John last fall, we now move to a couple key parts of our growth as Christians. Hiding God's word in our heart (hide the word) and knowing the key differences between Biblical Christianity and other religions/cults (the Way). These two series are great opportunities for discussion and maturity! We go Back to verse by verse in late Spring!

### THE GALA MARCH 4TH! PIRATE THEME!

If you are joining us on Mission Trip this summer, then Gala participation is required! If you aren't joining us you can still come to one of the biggest pirate parties of the year! Help serve, sell tickets, and put the "fun" in fundraising! **Gala baskets due February 13th**

For more info on Mission Trips, head to [believersfellowship.net/students](http://believersfellowship.net/students)

### SPRING EVENTS

God works in amazing ways when we set aside time to focus on Him and Christ centered community! This spring we want to set aside time for a "guy's night" and a "girls night" where we focus on how God has called us to live for Him! Stay tuned for more details as we work around the Gala and school breaks, as well as try to keep the cost low!

I'm Johnny Pearson and I work with students and families at Believers Fellowship. Our weekly focus is on reaching High School students with the Gospel of Jesus, and equipping parents to be the biggest spiritual influence in their kids' lives. This spring we want to build on what God is doing in our lives this year! Sign up for our weekly email (through our website below) to get more info on what we are teaching on each week, and how you can bring it home with discussions. We will also push out announcements and reminders through our Instagram, Facebook page, as well as email.
