AUGUST

No activities planned, go spend time with family! We take a break to prepare for the fall!

Summer Bible Studies

Summer Bible Studies is a great break from routine.

Our summer interns and staff will be leading a bible study for girls and guys. We break out after dinner and fun (frisbee, lawn games, etc.). We sandwich them in between our three big trips, so try not to miss these FOUR Wednesday nights.

Summer Camp July 24-29

CAMP TADMOR is a traditional summer camp for students to engage with God and their friends.

Register at believersfellowship.net/students

Cabins. Lakeside. Sunshine Field Games. Amazing Worship Challenging Messages and LOTS of time to build relationships.

July 24-29 could be the best week of the summer, and a perfect ending to our summer programming before we break for fall prep.
