INTERNS

Junior Flores is a regular volunteer with our middle school boys and is looking forward to being even more involved as an intern this year. He's been attending Buschnell University in Oregon as he works towards his youth ministry degree, with an emphasis on sports coaching. We can't wait to have Junior join us as an intern!

Grace Ricci is a junior at Moody Bible studying Youth Ministry with an emphasis in Health Sciences. She loves to sing in Moody's gospel choir, go thrift shopping, and hit the gym with friends. She is looking forward to stepping foot in Washington for the first time ever and getting to work with our team to create an awesome environment encouraging growth towards Jesus!
