Events Middle School

Our Middle School mid-week youth group kicks off again on **Thursday, September 11th**. This fall we'll be diving into the book of 1 John, focusing on themes like salvation, God as light, obedience, and how love marks us as followers of Jesus.

When we meet: Every Thursday from 6:30–8:30 pm.

One of our favorite fall traditions is back – the GPC! This year we're bringing back the popular "photo-hunt" edition. Students will team up to complete a checklist of challenges around the Harbor, snapping photos to earn points. The team with the highest score wins—and the prize is buckets of candy! It's a fun night to invite friends and enjoy some fall excitement together.

Our annual middle school winter camp is coming up, and we couldn't be more excited! We'll be heading to Black Lake Bible Camp for a weekend filled with worship, games, and opportunities to grow in Christ together. Students will have plenty of fun activities to choose from—including a trip to Great Wolf Lodge and the famous polar plunge! It's truly a weekend your middle schooler won't want to miss.

Julia Lucas

Hello! My name is Jon Lucas, and I serve as the Student Ministries Director at Believers Fellowship. I've been on staff for about seven years, and it's truly a blessing to walk alongside students as they discover the wonders of our Creator and grow in their relationship with Him. If you ever have questions—or if we haven't had the chance to meet yet—I'd love to connect with you!
