# **Believers Fellowship Women's Ministry**

Women's Ministry at Believers Fellowship exists to support the mission statement of our church: to glorify God by living and sharing the grace and truth of Jesus Christ. How do we do this? By offering women opportunities to connect and grow deeper in their relationship with Jesus, by creating safe places to share, pray, fellowship and study together, and by offering outreach events and service opportunities.

In the following pages you will find current Bible study and fellowship groups for women. Many of the groups are continually "open" meaning you can jump in at any time. We want you to find a place to connect! Don't forget to check out our brochure on Service Groups for ways to serve within our body.

Women's Ministries at Believers Fellowship is headed up by a team of women with hearts for you! We welcome your ideas and suggestions. Beyond all the planning and organizing we do, we are women praying for women. This is our first mission because we know that the Holy Spirit intercedes on our behalf bringing our petitions before the Lord and He hears our needs. Our hearts are full when we see women growing in Christ!
